Statement of intent

At Caston Primary School, we are committed to promoting the safety and wellbeing of our staff, pupils and visitors. Ensuring the safety of our school community is of paramount importance and, as a result, this policy has been created to establish a more comprehensive safer recruitment procedure so that pupils feel safe at school. An SCR is required as part of this process as it provides schools with a record of all pre-employment checks, ensuring staff are safe to work in the school.

To ensure the school is recruiting suitable individuals for a role, employment checks will be carried out by the governing board and the head teacher, in line with the school's recruitment guidelines. The checks will include identity checks, right to work in the UK checks, varying levels of DBS checks (depending on the role), as well as extended European Economic Area (EEA) checks for staff who have lived or worked outside the UK.

This policy outlines the school's procedure for maintaining an up-to-date SCR in line with government statutory requirements and guidance.
